“Casting all your care upon him: for he careth for you. Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, stablish, strengthen, settle you”

## **Victory Through Mercy and Grace**

To give my all, is all I can give.  
Take my life, my hope, and my dreams.  
Take my sorrow in the night take all of me.  
Take the past that I have to bring  
And the tears that fall through the night.  
All of my heart, I give, oh, Jesus, never part.

I bring you broken pieces of my shattered life  
Make me anew and a vessel to be used.  
With the scars that must remain, remind me of the pain  
That you had to bear at Calvary.  
Help me remember, help me forget; and  
Move forward in your love, turning away from regret.

Show me how to receive your forgiveness  
Teach me to forgive that I may obtain  
That greater love to share with those who are lost  
Cause me to hear your lovingkindness in the morning.  
To trust your name and give my best at any cost.  
I must tell the truth, you are my everything.

I can do nothing alone; but in your presence, I stand.  
Teach me about your never ending mercy and grace.  
Show me how to dig out the ugliness that I can't face.  
When the world is still in so much pain  
Always taking and grabbing for gain—  
Let me stay in your presence and hold my peace.

I'll keep holding on to precious life that you've given  
My hope is in you; thank you for this precious salvation.  
In the midst of the storms that try to unarm me  
Take my hand and let me stand strong to face the enemy  
And be assured that no matter the battle that I must face  
I will find victory through your mercy and grace. —gm

### A Correct Assumption

A man was being tailgated by a stressed out woman on a busy boulevard. Suddenly, the light turned yellow, just in front of him. He did the right thing, stopping at the crosswalk, even though he could have beaten The red light by accelerating through the intersection.

The tailgating woman was furious and honked her horn, screaming in frustration as she missed her chance to get through the intersection, dropping her cell phone and makeup.

As she was still in mid-rant, she heard a tap on her window and looked up into the face of a very serious police officer. The officer ordered her to exit her car with her hands up. He took her to the police station where she was searched, finger printed, photographed, and placed in a holding cell. After a couple of hours, a policeman approached the cell and opened the door. She was escorted back to the booking desk where the arresting officer was waiting with her personal effects.

He said, "I'm very sorry for this mistake. You see, I pulled up behind your car while you were blowing your horn, flipping off the guy in front of you, and cussing a blue streak at him. I noticed the 'What Would Jesus Do' bumper sticker, the 'Choose Life' license plate holder, the 'Follow Me to Sunday-School' bumper sticker, and the chrome-plated Christian fish emblem on the trunk, Naturally... I assumed you had stolen the car."

Until next Time, Willie
