Stay Focused on Your Purpose

"Then the people of the land weakened the hands of the people of Judah, and troubled them in building, And hired counselors against them, to frustrate their purpose..." (Ezra 4:4-5).

Every time we set out to do something to further the kingdom it seems that the enemy comes in and tries to stop our efforts just like they did to Judah when they were rebuilding the temple. What will it take for us to continue to move forward?

It certainly wasn't an ideal situation, because everything had been destroyed when Nebuchadnezzar was allowed to take the Israelites captive and force them to go to Babylon. Then after he saw the writing on the wall and it was interpreted by Daniel, he still had to have pride removed from his heart. He became as an animal for years.

That of course was a long time ago, this was now the "new era" and naturally people had forgotten such extraordinary events. The Israelites made their sojourn back to their homeland which was destroyed: that which belonged to the Lord had been stolen. They had a command from God to rebuild, and a decree to build, permission granted by King Cyrus of Persia, even until the reign of Darius King of Persia.

The problem came about because concerned citizens mistook their tears of joy and shouts of triumph, for a disturbance and they set out to stop the rebuilding. These concerned citizens hired counselors (lawyers), weaken the hands of the people of Judah, troubled them in building, just to "frustrate their purpose." Even with the opposition, they knew that God had told them to rebuild the temple. They were finally ordered to cease.

When God gives us a calling, and we are faced with opposition, we need to rethink our thoughts about giving up, quitting, or becoming discouraged. We can depend on God to be faithful according to His purpose, not ours. So many times we never get much accomplished for God because we're afraid to fail, so we abstain from obeying God.

What we need to realize is that when we abstain from obeying God, we are failing God and ourselves! Too often we rob our own selves out of the blessing and the strength that comes when we completely surrender to God. We're not our own. We're bought with a price; and we're not planning on sacrificing our homeland, only to receive less than God's best in return.

(By the way, The Israelites didn't give up; God always makes a way. Read about it in Ezra 3-6) -gm

Promotion Sunday...

The Sunday school children have waited for this day, all year. It's promotion Sunday! Has it really been that long? We have a great time in Sunday School....

Six-year-old Angie and her four-year-old brother Joel were sitting together during church services. Joel giggled, sang, and talked out loud. Finally, his big sister had enough.

“You're not supposed to talk out loud in church.”

“Why? Who's going to stop me?” Joel asked.

Angie pointed to the back of the church and said, “See those two men standing by the door? They're hushers.”

Do You Remember the First Time you Walked into the Church?

There's still time for you to share your testimonies, or life changing experiences at the POG, take some time to write them down, and either send it through email to lattereign7@gmail.com, or hand me a note, so I can include them in the *Lattereign*. I look forward to reading and sharing your stories.

Until Next Time, Willie
