## I Will Bless the Lord at all Times

It's easy to serve the Lord when everything is going well in your life: when you have plenty of money in the bank, and your children are living for God and thriving in life. It's easy to live for God when you are full of joy and anticipation about the way things are going to happen. It's easy to spend time in his presence when you are not faced with the cares and pressures of living. It's easy to do a mighty work for the Lord when your body is not wracked with pain, and you are healthy. Although we are confronted daily with trials and tribulations; we are fortunate that we don't live a sheltered and trouble-free life.

What would it be like to go through life without any conflict? I think we would be happy for about 30 seconds, then the boredom would set in. If everything was given to us, we wouldn't experience the sense of accomplishment that comes when you work for something. Our world isn't everything that we desire it to be, but at the same time it's not as awful as we sometimes imagine. We can convince ourselves of disaster, disease, destitution, depression just by feeding our minds on negative thoughts. As a man thinketh... you know the rest.

There is power in the tongue. If you want the Lord to bless you financially, give more. You will reap what you sow. If you want more money, give more money. If you need more clothes, give clothes, if your pantry is bare, share the last with someone else who needs it. The Lord's math doesn't make sense, but it always adds up to your advantage. You will have more, be healthier, cars will last longer, you will drive further on a tank of gas in spite of the gas prices, and you will find favor in every person that you do business. What changes is not your situation, but your attitude.

Joy Haney's, *Power of Speaking Positive* talks about the power of our speech. One of the books she mentions is *The Fourth Dimension* by Dr. Cho. He says that the speech center in the brain rules over all the nerves. It's so powerful that you can control your body by what you speak. If I were to say that I am becoming weak, then my nerves would receive that message and begin to become weak, because they had received instructions from the words that I spoke. The nerves "adjust to physical attitudes of weakness."

On the other hand, if I choose to speak faith, and after I read the Word, confess it with my mouth: I can cause strength to come into my body, and I can have victory over all obstacles. Have faith in God! Keep believing in yourself, and trust God to do all things for our good. gm

early will find me"  
(Proverbs 8:17).

### **Did you know...**

Noah's wife was called Joan of Ark.  
Noah built an ark, which the animals came on to in  
pears.

God asked Abraham to sacrifice Isaac on Mount  
Montezuma. Jacob, son of Isaac, stole his brother's  
birthmark. One of Jacob's son, Joseph, gave refuse to the  
Israelites.

Pharaoh forced the Hebrew slaves to make bread without  
straw. Moses led the Hebrews to the Red Sea, where they  
made unleavened bread which is bread without any  
ingredients.

The Egyptians were all drowned in the dessert. Afterward,  
Moses went up on Mount Cyanide to get the ten  
amendments

The people who followed the Lord were called the 12  
decibels. The epistles were the wives of the apostles.

*Until Next Time, Willie*
