## Today is a Great Day to Receive Your Miracle

“For I know your thoughts that I think toward you, saith the Lord, thoughts of peace, and not evil, to give you an expected end. Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And ye shall seek me, and find me, when you shall search for me with all your heart.” (Jeremiah 29:11-13).

“Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant; I have chosen thee, and not cast thee away. Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will uphold thee with the right hand of my righteousness: (Isaiah 41:9-10).

Sometimes we think that God has forgotten us and we struggle to live for him to the fullest. This is the Sunday before Easter and today we celebrate Palm Sunday. The people gave Jesus honor as he rode into the city on a donkey. They laid down palm branches before him. It was only one week before they crucified him. We don't understand how he could have allowed it to happen, but when we look at Calvary and realize that his sacrifice purchased our salvation: we know that it was his love that held him on the cross.

### Wait on the Lord, He knows What He's Doing

When the doctor says “cancer” after you've prayed for God to make you whole, And the solutions that God gave you, were nothing like what you wanted to hear. When after you have wept for God to do something, and it seems your prayers fall like hailstones to your feet,

When everybody else refuses to carry the load, while you're convinced that you surely bear the heaviest cross. When you can't help but ask God,

“Why now?” or, “How long will you forsake me?”

Remember this: It's when your problems can't be solved, that God outshines them all! His presence makes all the difference.

We can't reap; unless we've sown; we can't grow; unless we go.

We can't trust Him; unless we abide in Him.

We can't see miracles, unless we pray and have faith.

Let's don't limit what God wants to do today in this service. Rejoice in his presence for he is worthy!

Can God heal? Yes, He can, Will you step out in faith and believe God will do it for you? He wants to heal you NOW! All you need to do is step into his presence while the waters are troubled. Today is a great day to receive your miracle. -gm

**Miracle of the day.** Today, God gave us the strength to be here to worship on Sunday. We are truly blessed, and at times, we take miracles and blessings for granted, because they are all around us. I am thankful that the Lord made a way for me to be in his presence this morning. So many times we find time to complain about the little things that happen in our lives, without realizing that we are living under God's protection. He has built a hedge about his children, and nothing can harm us. Stay safe in his presence.
