## One of God's Greatest Designs: The Human Mind

“Whither shall I go from thy spirit? Or whither shall I flee from thy presence?  
If I ascend up into heaven, thou art there: if I make my bed in hell,  
behold, thou art there.

If I take the wings of the morning, and dwell in the uttermost parts of the sea;  
Even there shall thy hand lead me, and thy right hand shall hold me.

If I say, Surely the darkness shall cover me; even the night shall be light about  
me. Yea, the darkness hideth not from thee; but the night shineth as the day: the  
darkness and the light are both alike to thee.

For thou hast possessed my reins: thou hast covered me in my mother's womb.

I will praise thee; for I am fearfully and wonderfully made: marvelous are thy  
works; and that my soul knoweth right well” (Psalm 139:7-14).

We may believe that we fight against principalities alone, but that isn't true. The Lord is always with us to fight our battles. Sometimes he requires us to defend ourselves, by faith, and pick up our sword of the spirit and our shield of faith, and just fight, but don't think for a minute that he isn't well aware of what circumstances we must face, and most of all, we can trust him that he does care about us. He took special care to design us to be his masterpiece. Think about it, no matter how hard scientists try, they have not been able to produce any computer that even closely compares to the complexity of the human mind. With our own minds we can convince ourselves that we can do exploits or we can be a failure. Proverbs 23:7 says, “For as he thinketh in his heart so is he...” We need to abide by the Word and heed the scriptures: “Finally, brethren, whatsoever things are true, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things” (Philippians 4:8).

In this age of computers and technology, we have lost our ability to think for ourselves. As we get closer to the Lord's return, and the end of the age, we need to be careful how caught up we get in computers and technological advances.

Let us think on the Lord and let him be our central focus. There is nothing inherently wrong with owning a computer, being on the Internet, or having cell phones, ipods, and the like; if we use them wisely. I can barely remember not having this technology at my fingertips. But in our quest for modern convenience, let's not forget that these material gadgets will eventually pass away. What will we have to show for our time and energy? Let's not allow Satan to lure us into his “web,” (pardon the pun) rather, let's do everything to the glory of God and to the edifying of the body of Christ. This will make us free to worship. -gm

"The wilderness and the solitary place shall be glad for them; and the desert shall rejoice, and blossom as the rose. Strengthen ye the weak hands, and confirm the feeble knees. Say to them that are of a fearful heart, Be strong, fear not: behold, your God will come with vengeance, even God with a recompense; he will come and save you" (Isaiah 35:1-4).

#### **Christian Bumper Stickers and Signs:**

This Church is "Prayer Conditioned"!

Wisdom has two parts:

- 1) Having a lot to say.
- 2) Not saying it.

A family altar can alter a family.

A lot of kneeling will keep you in good standing.

Are you wrinkled with burden?

Come on to Church for a faith lift!

He who angers you, controls you.

Don't put a question mark where God put a period.

Don't wait for 6 strong men to take you to church.

God doesn't call the qualified, He qualifies the called.

#### **Just a thought or two....**

Why do we often make prayer a last resort instead of our first option? Since we have power with the angels when we pray, isn't it logical to believe that if we truly want to see revival, that we need to pray? **Don't miss the opportunity!**

**Until next time, Willie**
