## What is the Role of Man?

What a challenging question to try and answer, and yet, that is what the Lord has laid on my heart for today. I suppose by the end of this article, we'll both know what the Lord has in store. I think back to when I was growing up in Tennessee. When I was four, we moved to North Carolina. As we traveled through the mountains, we ate homemade oatmeal cookies from a coffee can. They were made by my aunt for our trip. I would eat a cookie and look up in awe of the mountains. It was my first time to see something so breathtakingly beautiful. It was amazing to me to see how easily we could drive through the mountains.

It was my first time, but not my last time to go through the mountains. Spiritually, I have had to go through mountains all of my life. You see, God never intended for us to climb over the mountain or turn around and avoid the mountain. It was his plan all along for us to keep pressing forward and to trust him to help us push through the mountain. I know that sometimes we have the mindset to quit when the roads wind unmercifully and we get tangled up in life. We know that the cliffs are always there for us to go over, and backing up on a mountainous road, doesn't give us the control that we could have if we have a clear path before us. One wrong turn could send us spiraling down into the ravine without any possibility of rescue, yet God is always faithful to us and he continually guides us to complete the journey that he has called each of us to pursue. This journey has kept me reaching for something that will make a difference in the lives of people that I may never meet.

Today, we are blessed to be in the house of God, for it is here that we restore our hope and receive our itinerary for the coming week. We can rest assured that when we worship the Lord in Spirit and in Truth we'll know that the Lord will reveal the next step to take in our journeys. Will it be time to rest and wait on God? Will he require you to take action in faith? Will he ask you to seek his face and put him first? Where are you in this journey? Jesus tells us that he has a plan for our lives, and that plan is for us to prosper and to be in good health. How do we make that happen for us?

Every day our soul prospers when we put God first in our lives. Our whole duty is to do the will of God and fulfill his purpose. The role of man. Still I wonder where this will lead us. Are we fulfilling God's purpose in our lives? Sometimes I feel that I am, and yet more often than not, I still wait for the next step that I am called to take. Today, we honor men of God who have taken on a role in life to fulfill the will of God and to take responsibility for a family. Men of God, you are important to your families. If you are married, we appreciate your dedication in being the spiritual leader in your home; if you have children, we thank you for not neglecting your responsibility and privilege to raise them in the fear of God. Enjoy your day in his presence, for you are setting an example for all to follow. -gm

"...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

### Have you ever had to give directions over the phone? Enjoy Tech Support....

- **Tech Support:** "Customer Support, this is David, may I help you?"
- **Customer:** "Hello, yes, it's me."
- **Tech Support:** "Oh, it's me too." [chuckle]
- **Customer:** "No, Esmie. E, s, m, i, e."
- **Tech Support:** "Oh, sorry."

\*\*\*\*\*

- **Tech Support:** "I need you to right-click on the Open Desktop."
- **Customer:** "Ok."
- **Tech Support:** "Did you get a pop-up menu?"
- **Customer:** "No."
- **Tech Support:** "Ok. Right click again. Do you see a pop-up menu?"
- **Customer:** "No."
- **Tech Support:** "Ok, sir. Can you tell me what you have done up until this point?"
- **Customer:** "Sure, you told me to write 'click' and I wrote 'click'."

(At this point I had to put the caller on hold to tell the rest of the tech support staff what had happened. I couldn't, however, stop from giggling when I got back to the call.)

- **Tech Support:** "Ok, did you type 'click' with the keyboard?"
- **Customer:** "I have done something dumb, right?"
