Don't Give Up on Your Dreams!

The Lord leads each one of us in a unique way through our lives, and sometimes, the life that we are called to live may take us down a crooked path. Our journey through life may take us down roads that we never chose to travel, and yet, we find ourselves just trying to take careful steps to avoid the rocks and pits that would make us fall.

Who am I to question God's wisdom in these matters? I am a servant, called to do His will and to be a witness for His glory. I didn't bargain for some of the trials that I've had to face in my life, but at the same, I know that I have a privilege to rejoice in the God of my salvation who always causes me to triumph.

When I am sick, I have the Balm of Gilead. When I am thirsty, I have the fountain of living waters to draw from. When I am hungry, He is the living bread that sustains me. When I feel alone, He comes to me at the thought of His name. When I am weak without the strength to carry on, He picks me up and carries me. When I am confronted with the attacks of the enemy, He stands in the gap for me and He upholds me with His free spirit. In the weakness of flesh, I may look at the storms of life and forget that He made the storms. He is always in control of every situation, and we must learn to trust Him because He is faithful to us. What may seem like a rejection could very well be the Lord's hand at work in our lives. If you lose a job, you can rejoice, because God will supply you a better one.

Don't give up, for the Best is already here! You will never be able to have less than God's best, because He is not an inferior God who gives us leftovers of His blessings. We will always have the best of everything because the Lord is our provider. He has made us the head and not the tail, and we can stand before His throne boldly and proclaim that He is Lord. There is no second best with God. He eternally supplies our every need, and when we feel that there's not any hope left, God steps up to the plate and scores the winning points. We will win this game called life if we will continue to trust God!

Don't give up on your dreams, because they are your only hope to change the world for the better. *"Where there is no vision, the people perish: but he that keepeth the law, happy is he."* (Proverbs 29:18) Thank you for visiting us today; feel free to worship the Lord with us!-gm/wm
