Welcome to the  
Pentecostals of Greenville!

## Mission Statement

The Pentecostals of Greenville is an Apostolic church. We are committed to exalt Jesus Christ, to worship Him in Spirit and in Truth, to proclaim the gospel, to evangelize our community, to minister to people's needs and to provide a spiritual atmosphere of fellowship and growth.

## No Limits: God has shown Us Light!

*"This is the day which the Lord hath made; we will rejoice and be glad in it....God is the Lord, which hath show us light: bind the sacrifice with cords, even unto the horns of the altar." (Psalm 118:24, 27)*

**Throughout Psalms we read how David praised the Lord** in the midst of great trials and tribulations. In Psalm 118, we're instructed to give thanks because the Lord is good and his mercy endures forever. David believed that "it is better to trust in the Lord than to put confidence in man"; he continues to exalt the Lord. The more he praises the Lord, the more strength he gains to overcome all obstacles that Satan would like to put in his path.

**We are much like David today.** He didn't have a monopoly on God's provision or protection, because the same God that kept David waits for us to worship Him with all of our heart, soul, mind and strength. *This is the day that the Lord hath made.* He made it for us to rejoice and to be glad. So as we come into his presence today, let's bring the sacrifice of praise and thanksgiving for the great things He has done. *"God is the Lord, which hath shown us light:"*, but have you ever felt trapped in a situation? I have. When we go through difficult times, it's hard to see God's light because we make our problems bigger than God. We see God through the small end of the binoculars and we limit Him. We can't see our way out of trouble, so we become weak.

**"When I am weak; he is strong."** When I falter, He lifts me up so that I can stand. When I have no more strength, He defends me in His presence. His plans for me are extraordinary, and yet am I still looking through the binoculars backwards? Instead of wondering how God is going to bring it to pass, I need to spend my time trusting that God is going to do it and lean not to my own understanding.

**There are no limits of what God desires to do for His children.** Unfortunately, we place limits on ourselves. Why do I fear when the Lord promises me over and over again that He will destroy my enemies? When David cried out to the Lord, in verse five, the Lord responded to his cry by "setting him in a large place." No matter what you are called to do, it comes down to this: If you ever want to get anything from the Lord you must bring your sacrifice, bind it to the altar, and leave it there.

Have faith in God. –gm/wm

### Poinsettia Trivia!

♦ A poinsettia plant's botanical name is "euphorbia pulcherrima," which translates to "very beautiful."

♦ Joel Roberts Poinsett, the first U.S. Ambassador to Mexico, is credited as the first person to introduce poinsettias to the United States after discovering them in Mexico. December 12th has been named Poinsettia Day in his honor, the day that Mr. Poinsett passed away.

- ♦ The majority of poinsettias found in the U.S. are grown and produced in California.
- ♦ You can find poinsettias in over 100 different colors! For the most common color, prestige red, the plant needs bright light during the day and pitch black at night (for at least 12 hours).
- ♦ Last year more than 65 million were sold in the U.S.! And most of these are sold within a six week period each year!
- ♦ The most beautiful "petals" on the plant aren't flowers at all, but lush red, white, or green leaves. The flowers are actually the little yellow buds in the center of each collection of leaves (the collection of leaves is called a bracht.)

Let's be a witness. Let's be a soul winner. Let's be a prayer warrior. Let's be a bible study teacher. Let's do the work and the will of God!
