#### Scriptures to live by

“And let us not be  
weary in well do-  
ing: for in due  
season we shall  
reap, if we faint  
not.”

**Galatians 6:9**

## Just Don't Quit

When things go wrong as they sometimes will,  
When the road you're trudging seems all up hill,  
When the funds are low and the debts are high  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must, but don't you quit.

Life is strange with its twists and turns  
As every one of us sometimes learns  
And many a failure comes about  
When he might have won had he stuck it out;  
Don't give up though the pace seems slow—  
You may succeed with another blow.

Success is failure turned inside out—  
The silver tint of the clouds of doubt,  
And you never can tell just how close you are,  
It may be near when it seems so far;  
So stick to the fight when you're hardest hit—  
It's when things seem worst that you must not quit.

—John Greenleaf Whittier

Korner**

## **Watermelon trivia!**

-The heaviest watermelon ever recorded was 350.5 pounds.

-August 3 is National Watermelon Day in the US. July is National Watermelon Month.

-Watermelon is high in fiber and vitamins A and C, and a source of potassium. Its juice may relieve muscle tension.

-There are more than 1,200 varieties of watermelon in the world.

-True to its name, watermelon is about 90% water.

-The world record for watermelon-seed spitting is 75 feet and 2 inches, about four times as far as a giraffe's height.

-Watermelon seeds were found in King Tut's tomb.

-China is the world's largest producer of watermelon.

-A watermelon is classified as both a fruit and a vegetable. More of a vegetable as it's related to pumpkins, cucumbers and squash.

-Mark Twain called watermelon "the food of angels!"
