## Today, is a Brand New Day!

Today, is a brand new day and we can't change the past, predict the future, or worry about either one, so why don't we just live for today.

Today, I will do the best that I can for the Lord. Today, I will uphold a high standard of holiness so that all people will know that I have been redeemed by the blood of the Lamb, and at the same time, I will keep a humble spirit and not draw unnecessary attention to myself because that will not please the Lord.

Today, if I am down from the cares and troubles of this world, I will call on the name of Jesus for help.

Today, I will reach out to someone with the gospel. I will either smile at them, give a kind word of encouragement, or show a positive attitude.

Today, when I feel the old nature rise up and try to inject fear and doubt into my heart and mind, I will resist it with praise and worship. I can do all things through Christ which strengthens me. That means I can do the unpleasant things that I am called to face, because the Lord will use the things that I dread to give me strength.

Today, when the pressures begin to enfold me in helplessness, I will lift up a standard against my enemies and I will prevail in the Holy Ghost.

Today, I will not look back to the past, but I will look to the future that the Lord has planned for me. He has great things planned for me if I will only believe it and keep my focus in mind.

Today, I will pray continually for our city, our nation, and for the lost.

Today, nothing will stand in my way of putting God first in my life. I will lift up holy hands in this sanctuary and call on His name. Today, is the best day of my life that I have been given, so I will make the best of it.

Today, I will give something to someone in need because I have been so abundantly blessed.

Today, I will worship the Lord with my whole heart and soul.

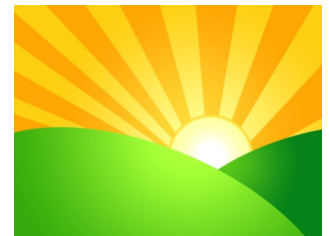

Today, I will witness to someone how good God has been to me, invite them to church, or pray for them.

Today, I will remember long enough to realize that the Lord has saved me from so much heartache and pain, that I don't ever want to turn back to the world.

Today, I will be still and know that you are God.

We aren't promised tomorrow, so, for today, I will go to where He leads me. For today, I want to feel His presence and shut out the cares of this life. For today, I want the Lord to cause me to hear thy loving kindness in the morning. For today, I want to take time to be still and know that my God is with me.

Today, is a good day to turn your life over to Jesus Christ. The Lord will lead you into all truth if you are willing to let go of your past, and offer Him complete control of your future. "Seek the Lord, today, while he may still be found." -gm/wm
