Discipleship Class Graduation!

"The first discipleship class of 2025 was a great success! 31 students graduated and were welcomed to the family, along with three repeat students. This was the largest class so far, and was a great mix of new converts along with more seasoned saints. If you are desiring to grow in you walk with God and find your place in the Kingdom then we urge you to sign up for the next class. The course is made up of seven weekly lessons and ends on week eight with the POG ministry department heads discussing their departments and opportunities to serve. The next class will start on April 6th, so be on the lookout the sign up booth in the foyer on March 23rd. We are going to limit the class to 20-25 people, so don't wait to sign up! Welcome to the Family!" -Jim and Janni Wood

"In Case You Missed It!"

Wednesday night's Bible Study by Pastor Petersen:
"Personal Development In God"

"Study to shew thyself approved unto God" 2 Tim. 2:15

- 1) **We grow** by becoming listeners. Proverbs 1:5 *"A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels."* We become better listeners by learning to ask questions!
- 2) **We grow** through reading. We need to acquire the habit of reading! Psalm 1:2 *"But his delight is in the law of the Lord; and in his law doth he meditate day and night."* If you are reading the bible or books on the Word of God, you are growing!
- 3) **We grow** through purposeful study.
 - A) Defensive study. Studying for Sunday School lesson. Studying for a Bible study coming up. Studying for a devotion you are giving.
 - B) Offensive study. Personal exploration. Getting hungry for the Word of God. Taking time to dig in into the Word. "Turning up" the volume of truth in you. Find time for offensive studying this week. Explore the Word of God! It's not time wasted when you read and study the Bible!

Proverbs 4:13 *"Take fast hold of instruction; let her not go: keep her; for she is thy life."*
